The Norfolk Public Schools provide an outstanding educational program which serves the needs of its students, therefore its program will be made available to residents of other school districts through the option enrollment program on a limited basis. At the same time the Board of Education recognizes that the desires and needs of all its students may not be served adequately, therefore resident students may utilize the option enrollment program to attend other school districts.

The Board of Education shall adopt by resolution specific standards for acceptance and rejection of applications. The resolution shall be prepared by the superintendent and presented to the Board for adoption at its regular March meeting.

The District will abide by statutes creating the option enrollment program and the Nebraska Department of Education regulations for its implementation. Statutes 75-3401 through 79-3416 and 79-328. NDE Rule Seven (7).
