

NHS Theatre Boosters

The mission of the Theater Boosters is to morally, financially, and physically support theatre students at Norfolk Senior High. This is an organization established in order to develop a working relationship between theatre students, teachers, parents, the school and the community.

Financial Assistance

We not only help out financially by purchasing trophies for the end of the year banquet, we help provide a theatre scholarship for deserving seniors. In the past we have also provided the theatre students with various tools and equipment needed to build scenery.

Physical Assistance

We sponsor before/after-play dinners and coffees for the public and the performers. We have helped with the district One-Act Competition and the needs for travel to State Competition. We have also helped with various publicity needs of various shows.

Moral Assistance

We provide positive support for our children and all students involved in the various plays and musicals.
